

This topographic map of the Kōchi area displays detailed contour lines and urban planning. Key features include:

- Geographical Features:** The Kōchi River (小名川) flows through the region, with several tributaries. The map shows a mix of urban areas and natural terrain.
- Urban Planning:** Yellow and grey shaded regions indicate specific land use or development areas. These areas are scattered throughout the urban landscape, particularly along the river and in the central part of the map.
- Labels and Markers:**
 - 小名川** (Kōchi River): Labeled in the upper right and lower left.
 - 小名** (Kōchi): Labeled in the upper right and lower left.
 - 白山寺** (Shirayama-ji): A temple located in the lower left.
 - 方違吉野堂** (Hataji Yashiro): A temple located in the upper right.
 - 白山寺** (Shirayama-ji): A temple located in the lower left.
 - 白山寺** (Shirayama-ji): A temple located in the lower left.
- Infrastructure:** The map shows a network of roads and paths, including a main road running horizontally across the middle.
